Subject- Request for Extension on Assignment Submission

Dear Professor,

I hope you are doing well. I am writing to kindly request an extension for the assignment that was originally due on 28 March.

Unfortunately, I have been dealing with some unexpected difficulties over the past few days, which have made it challenging for me to complete the assignment on time. I want to ensure that I submit work that truly reflects my understanding and effort.

I would be very grateful if you could grant me an extension until 31 March to complete and submit the assignment. I assure you that I will use this additional time responsibly.

Thank you for your understanding and consideration. I really appreciate your support.

Sincerely,
Arun Yadav
